R500
Laser Presentation Remote

PRESENT EFFORTLESSLY.

Introducing the R500, a plug-and-play presentation remote that allows you to navigate slides and laser point from up to 20 metres (65 feet) away.* Deliver your presentation with ease and confidence thanks to the unmistakeable three-button design and R500's comfortable, secure fit in hand. You can customise buttons, check battery life and set an on-screen timer in the Logitech Presentation App. The R500 is plug-and-play on most devices, operating systems and leading presentation software – including Windows®, macOS, iOS, Android™, PowerPoint®, Keynote, Google Slides™, PDF™ and Prezi™. Connect the R500 to your computer via USB receiver or *Bluetooth*® low-energy technology.
