## FEATURES

### Anti-Flicker technology

MSI Anti-Flicker technology provides a very comfortable viewing experience by reducing the amount of screen flicker.

### Less Blue Light

Effectively reduce blue light which could cause serious long-term damage to your eyes.

### Anti-Glare Display Design

An anti-glare display makes viewing the display more pleasant for users and reduces eyestrain for users

### Display Kit Support

Providing the most convenient tool, the proper color & display mode to you while working with it everyday.

### WiFi 6

The latest wireless solution supports MU-MIMO and BSS color technology, delivering speeds up to 2400Mbps.

### Silent PRO Colling

3 independent chambers with exclusive thermal module provide the best solution while rendering, editing and multitasking

### TPM Support

FW TPM design secures your confidential data with encryption keys.

### Tool Less Design

Assemble and disassemble the stand without any tools needed.
